HOPE FOR HOLYOKE

A safe place for peers to come together and engage in recovery

OUR MISSION

Hope for Holyoke is a safe place where people in all pathways of recovery can come together and grow in their own recovery. We are people from differing backgrounds **working together** for the common goal of recovery in a supportive and serene environment.

We help each other to expand our recovery by sharing our own experiences and learning ways to give back to our community. We provide opportunities through groups, trainings and networking to learn how to communicate effectively and how to love ourselves.

Hope for Holyoke not only offers recovery but **discovery** in ones hopes and dreams. It is a place where the impossible becomes possible. This center offers HOPE!

*Becoming a member is **free***

Admission Requirements:

- 18 years of age or older
- Engage in recovery oriented activities without impairment
- Parents may bring children to the center if they follow the center's policy related to supervision and attendance
